## AUGLAIZE COUNTY SHORTHORNS

---

FOR thirty-three consecutive years, the Auglaize County Shorthorn Breeders' Association has been selling purebred Shorthorn cattle to established breeders and beginners throughout America. The cattle in each sale have consistently improved in quality and each year the Auglaize County sale has been one of the better Association sales in the country.

All of the consignors in this 1950 sale are not residents of Auglaize County. However; they have made purchases from previous sales, and now they have come back to sell. Many of the consignors are using the best sires available on superior foundation cows. Thus, they are producing Shorthorn cattle of modern day type and quality. The eighteen bulls selling are of breed building caliber.

Seven of the bulls selling will be sons of Imported Pittodrie Upright. This is the first sale where Pittodrie Upright bulls have been offered in numbers. The other bulls offered are by such sires as Imported Naemoor Magnate, Broadhooks Leader, Edellyn Royal Leader 18th, Imported Crieffvechter Beacon, Woodshade Ransom Leader, Imported Glastullich Eagle. Ten of the fine heifers selling will sell bred to the breed's best bulls. Seven open heifers of near breeding age will warrant buyer consideration for they are truly a sweet lot. Twenty cows are offered and they have calves at foot or are near calving. Lochmoor Farm, owned by H. E. Hackenberger is offering sixteen richly bred cows. One cow bred to Pittodrie Upright, one to Edellyn Royal Leader 18th. And twelve cows and heifers are selling safe in calf to the 1949 State Champion bull, Woodshade Diamond. Three of the fine cows will have Pittodrie Upright bull calves at foot.

This is a sale where the best is offered. You will not be disappointed, you can enlarge your herd, or start a new successful herd from this sale offering. This sale is one that every Shorthorn Breeder should attend.
